

UITP's key message to the EU institutions

Thomas Avanzata

Spokesperson of the European Union Committee

PT BENEFITS

CHANGING COST STRUCTURE

- Exploding energy prices
- Decarbonisation costs for new vehicles and their infrastructure
- Staff shortage and recruitment
- Digitalisation: Ticketing systems, Mobility as a Service apps

DECLINING REVENUES

- « New normal » following COVID crisis
- Working from home = demand spread differently
- Pressure on fares
- Simplification: PT flat rate

A cartoon illustration of a penguin balancing on a narrow ice bridge. The penguin is white with a black back and head, a yellow beak, and a single blue tear on its eye. It is holding onto the edges of two ice floes with its orange feet. The background is a blue sky and sea with stylized ice floes.
